Summer Swim Facts:

Since 1967

Swim meets:

Swim meets are **NOT mandatory** although they can be a lot of fun! There are 7 swim meets scheduled from May to July, but you can pick and choose which ones you want to go to.

Time commitment:

You can practice as often or as few times as you want. Pool time is available several days a week. You pick the days that work for you.

Cost:

You get up to 6 hours of coached pool time per week at less than \$4.00/per hour, plus dry land training, and the addition of being entered into all swim meets.

Summer holidays:

The season ends in early August, but since you are not forced to attend practices or meets, then you can have holidays whenever it works for YOU.

The kids are involved in other sports:

You can pick the swim practices that you can make and adapt your lifestyle to fit all of your activities.

The Castlegar Aquanauts is a fun, family based club that promotes proper swim technique, good sportsmanship, and life long friends of all ages, while improving fitness and teaching an important life skill.
